# WHERE DOES IT TAKE PLACE?

---

This story takes place in a high school in Rome, one of the best cities in Italy. The high school, more precisely, is one called ITIS Galileo Galilei.

# WHAT IS BULLYING?

---

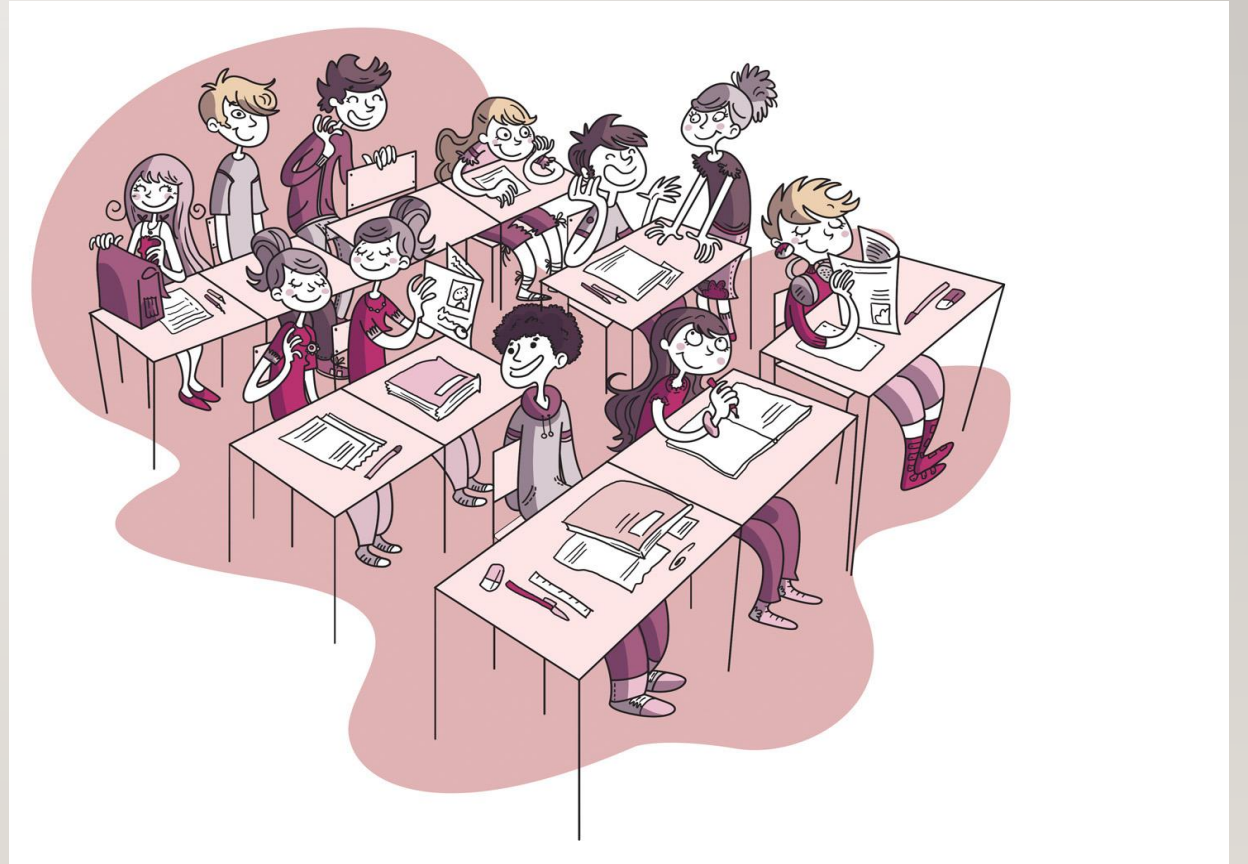

We can talk about bullying when someone gets offended by other people for their body, religion, or more in general for their personality. Unluckily, bullying is still one of the more common problem in school.

# INTRODUCTION

---

There was a class with 27 students, and 3 of them live in the same house. It was their first day at school but all in the class already knew each other. Their name were Matteo, Luca and Massimo. They came from a poor family, so they were wearing second hand clothes and not very famous brands

# THE BULLIES

---

There was a group of 5 students, that failed to pass the year of school for the second time. They were always trying to bully everyone, and they were very attached to the group.

# WHY DID THEY DECIDE TO BULLY THEM?

---

This group decided to bully them because they knew they were easily attackable. So, after like one or two months, this group started to annoy them with jokes about their way of dressing, and the majority of the class was laughing.

# SOMEONE DISAGREE

---

The part of the class that wasn't laughing, knew that if the bullies started like that, Massimo Matteo and Luca would start crying. So they decide to form another group were they have to act against the bullies

# THE COMPARISON

---

The part of the class against the bullies decide to secretly invite Massimo Matteo and Luca at their house, to give them a surprise and let them know that they weren't all like the bullies. They also decide to look for their parents' number, so that they could warn them about their sons.

# THE MEETING

---

The next day, the bullies parents' decided to invite them all at their houses, without telling them what they found out the last evening. When they arrived, they saw Massimo Matteo and Luca with their parents very angry, so they had to tell them the truth and apologize with them.
