# One of the most common problem at school Bullying

# Location

Our school : ITIS GALILEO GALILEI

# Introduction

One day, a new student arrived at school.

He was foreigner and for this reason his classmates made fun of him.

He used to be bullied

# Bullying

Verbal:

Physical:

# What is the problem?

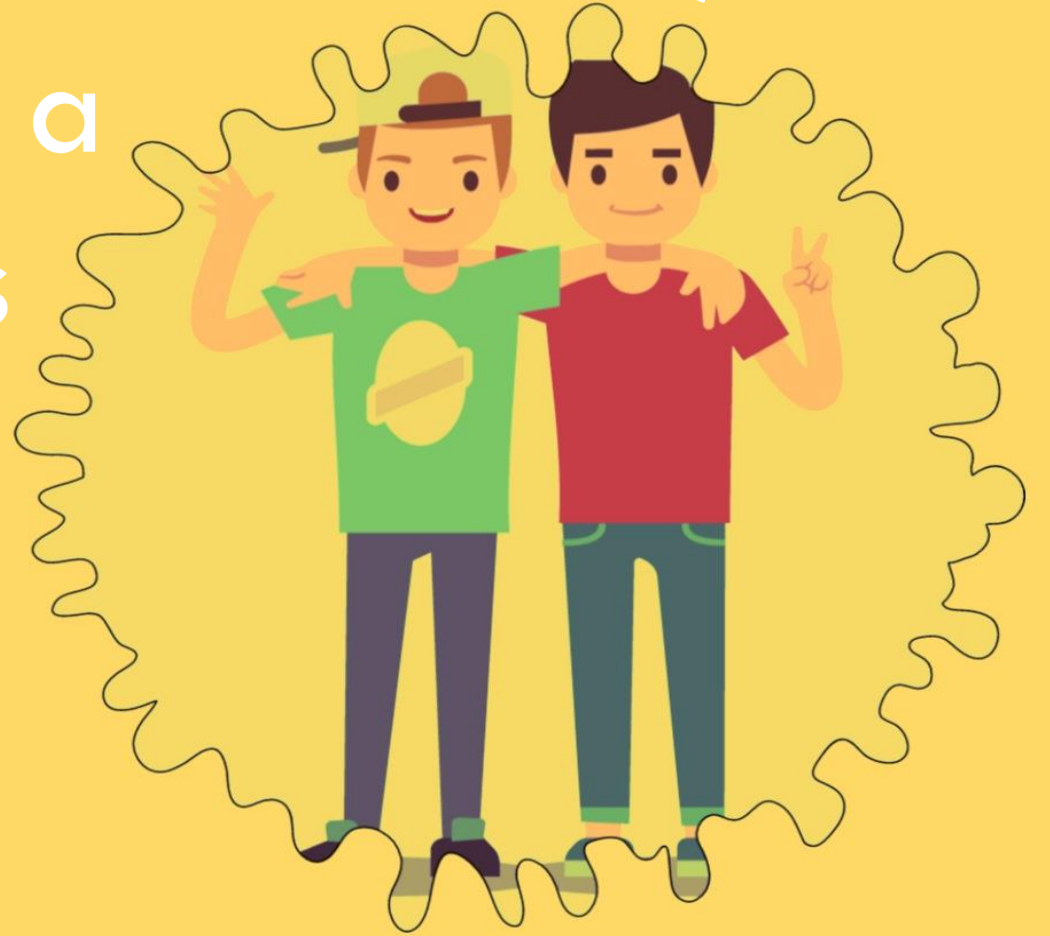

The new student doesn't understand Italian and so he has zero possibility to communicate

# How can they stop it from happening?

Fortunately among the students, there was a good boy.

He decided to speak about this situation to his parents to find help

next day, there was an assembly. The only one friend of the new arrived, told everyone to write a topic about themselves

The new student starts to read (in english) what he wrote, under advice from the good guys. His classmates understanding what he was saying, choose to not bullying him anymore

# The final

His classmates apologize for what they did and finally the new student can go to school with a smile.

Thanks for watching
